THE MAN CAVE

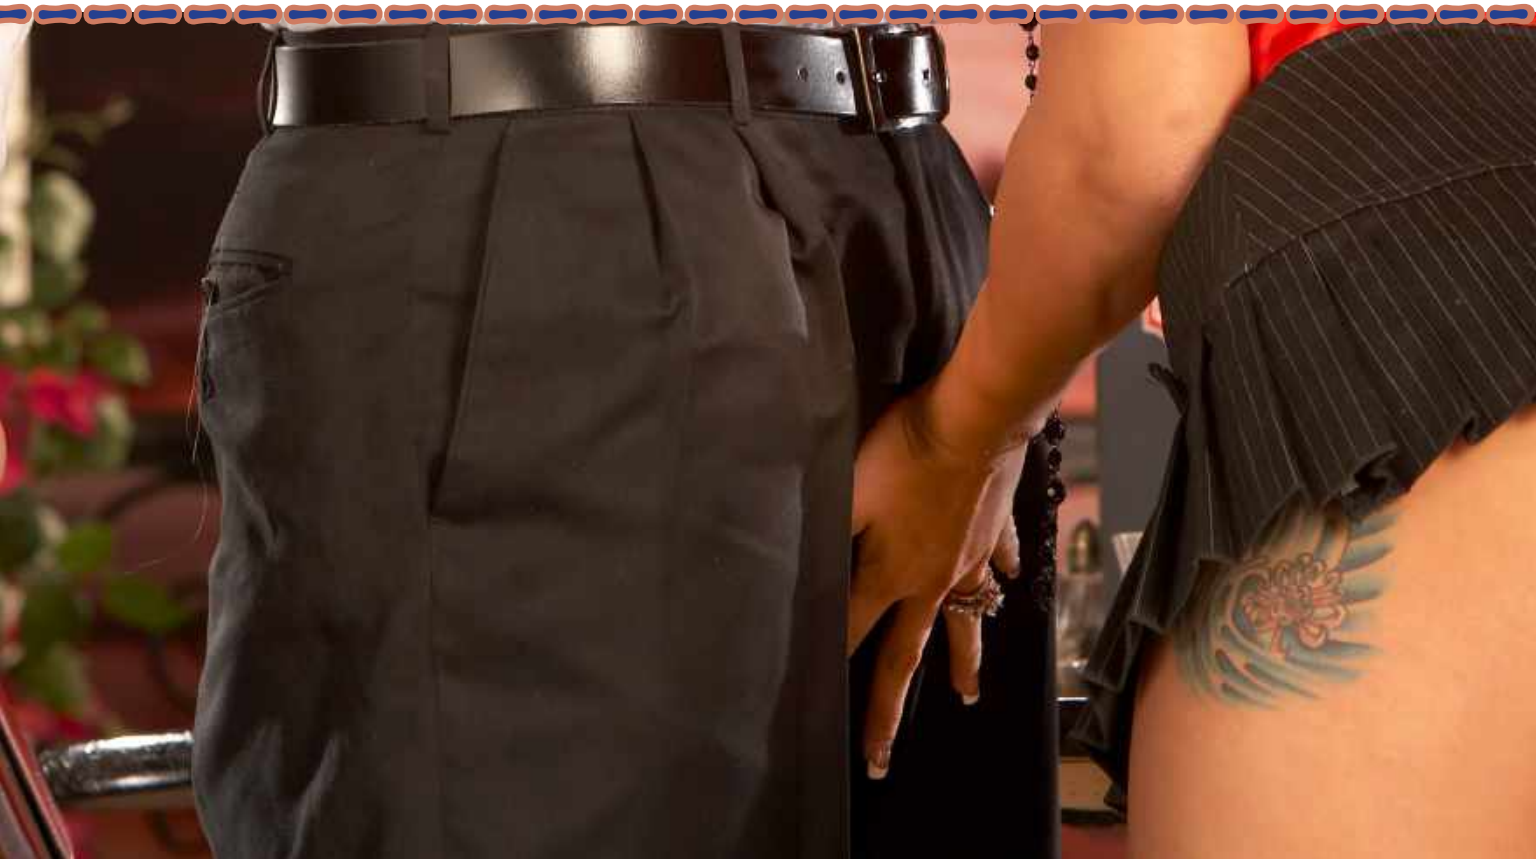
THE OFFICER'S CLUB

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

My friend Darren stopped by the Man Cave last week and told me about a little training mission adventure he encountered at the base. I offered him a beer and some pretzels, and off he went. After a couple false starts, I got him to admit what is the story below. He didn't want to mention names because he thought I would know some of them. I told him not to worry, and off he went, again.

I turned off my phone as I sat at the bar of the Officer's Club, thinking about how thoroughly we'd just been beaten. It was the first time my gunner and I lost a training run since I cared about the scores, which probably only made the loss more bitter. The worst moment, though, was when the other pilot walked into the club and sat down next to me.

Because in addition to everything else, she was one of the most beautiful creatures I'd ever seen.



Easily 6-foot tall, with long hair let down past her shoulders, and a chest that always seemed to be in full salute. While all this eye candy is just a stool away, I did not know how much I welcomed it.

I tried to look away, tried to resist my rising anger and passion, and not really finding much success at either. She started talking, telling me I shouldn't be so hard on myself. It didn't take long for me to just turn and walk away, heading to the bathroom.

I got there and splashed some water on my face trying to sober up from the loss. When the door of the bathroom opened again, I glanced in the mirror, surprised to see her again. She followed me in here. I heard the click of the latch on the door, and she stepped closer, pressing me against the edge of the sink and leaned in to kiss me.

I pulled back, confused. A moment ago, I was shamed, now I'm winning, so let myself get lost in her bright blue eyes. She must've seen my confusion because her response was to grab my crotch, tilting her head enticingly. At that moment, the passion won, and I gave in, leaning back and letting her take command.

She unzipped my fly, reaching under letting her long fingers move toward my dick while my hands followed suit. I think she knew, because her breasts seemed even larger than I remembered, bursting to get out of her shirt. I could only admire for a minute before she pulled my face down into her chest, where I quickly got busy exploring with my tongue. I nuzzled deep into her cleavage and took in the warm, intoxicating odors of her body.

One thing that was quickly clear was that she was in charge, the same way she'd kicked my ass in the simulation earlier, I was the prize now. She decided when I could stop playing with her chest, and she was the one who led me to the wall and slid me down onto the floor. I was rock hard for her, and she probably already knew that she could've gotten me to do anything.

I sat against the wall as she thrust her hot, wet pussy into my face, begging for my tongue. I let it slide in, feeling the warmth, the passionate fire energy rushing between us. And then I got it.

I sat against the wall as she thrust her hot, wet pussy into my face, begging for my tongue. I let it slide in, feeling the warmth, the passionate fire energy rushing between us. And then I got it. She needed this as much as I did. This was all the excitement and energy built up through the simulation and we both needed a release. I glanced up at her, the way

she looked at me told me everything. It was the way I usually looked after a mission. She must have noticed because a moment later, my nose was deep in her crotch once again. Again, her musty body aromas were swirling around my head like a sexual hallucination. I indulged and inhaled as much as I could, knowing she would end it soon.

I'm not sure how long she had me there, but when she was ready, she pulled away and lowered herself down onto my raging boner. As soon as I slid inside, I was throbbing, feeling like I was actually getting harder. She loved it, wrapping her arms around my neck, and using my stick to find places inside her I never knew were there. And each time, I felt the familiar surge rush through me, so familiar, but stronger, too.

In a synchronous dance we turned towards the mirror and she leaned over the sink as I rammed her from behind. I now felt in charge as my man machine took over and plowed deep into her sex. She pushed her butt back against me, pulling me in even further. I slipped a finger into her soaking wet pussy and pulled it out brushing against her pucker. I lingered it there for a moment and she let out a soft moan. Her head tilted back and whispered, "Not here, not now."

I pulled my finger away and began ramming harder and harder. She let out a scream, her head thrown back, holding tightly on my neck, with her chest heaving beneath my hands that had enveloped them. I dropped my right hand down to her pussy and began to earnestly rub her clit. With my other hand, I covered her mouth and muffled her screams as best I could. Her mouth sucked in my fingers, her lips swirling around and between them arousing my libido even more.

Even as she screamed, she seemed to swallow my dick harder, deeper. And before I could warn her, my bursting cock erupted deep inside her, draining out around my throbbing meat. I could feel the wave of her pussy walls suck me in even more, massaging my cock to give it all it had. And I did.

Even as she screamed, she seemed to swallow my dick harder, deeper. And before I could warn her, my bursting cock erupted deep inside her, draining out around my throbbing meat.

As I finished and limped out her, she turned and let her hands raise my chin. She kissed me hard slipping her tongue in just once. Damn, she was good. The look in her eyes was enough to know that we had just started a new game: winner of the simulation takes the loser. And if this was what I got for losing, it was a game worth playing!

BOB-BLAIR

Sweet Escape.

When the weather cools it's the perfect excuse to migrate to warmer climates. No matter where we are, we like to stay warm with some nice hot sex. With boobs as perky as our pussies are wet, it's easy to slip into one another's panties. And the view from our balcony is almost as enrapturing as the view of our bodies.

EAT AT CLEM'S CRAB COVE

Your stomach will thank you. Trust me on this one. I speak from experience.

The balcony had a postcard perfect view of the gulf. I sat out there with my morning coffee, marveling at one of the most beautiful beaches in the world—emerald green water merged with sugar white sand as gulls flew across a cloudless azure sky.

There were other seaside gems one could choose for a summer getaway, but none of them, at least in my opinion, could compare with the Florida panhandle.

I had my cheating ex-wife, a luaded neurosurgeon, to thank for the condo, a timeshare unit on the top floor of a recently constructed high rise, not to mention a top notch lawyer who had netted me a substantial divorce settlement. Now I was set for the duration. I would never have to work another day in my life.

Of course everything wasn't perfect. As much as I loathed my ex, she had been a damned good lay. I missed the regular sex something fierce. Sad to say—pathetic, really—but I couldn't even remember the last time that I had gotten a piece of ass.

As a fit thirty-something, I might not have been in my sexual prime, but I was far from washed up. Hopefully this weeklong vacation would grant me more than relaxation, stellar views, and fresh seafood. Surely, I reasoned, a single guy like me could find a vacationing woman—or even a townie—down to fuck.

After finishing my coffee, I put on my swim trunks, then headed to the beach. I swam for a good ten minutes before claiming one of the many chaise lounges lined up for condo residents. Savoring the peace and quiet, I luxuriated in the warmth of choice rays lashing my wet skin. Mornings were heavenly as the bulk of the tourists had yet to crawl out of their beds. For the most part I had this stretch of beach all to myself.

It wasn't long before the rhythmic sounds of surf lulled me into a dreamy state. I was on the verge of total transcendence when the droning racket of an airplane invaded my bliss. Designer sunglasses protected my eyes as I watched the small craft replete with banner fly overhead; the ad read: EAT AT CLEM'S CRAB COVE

I filed the restaurant for subsequent retrieval; perhaps I would try the place one night when I was particularly hungry. Until then—

"Yeah," the voice said, "if you want a case of food poisoning."

I looked over and saw her there, supine and supple, on one of the chaise lounges to my right. Apparently she had arrived while I was in la-la land, a hot brunette in a red bikini. She was wearing sunglasses and drinking a can of beer.

Breakfast of champions, I mused. Still, she was on vacation. At least I assumed this to be the case; this section of beach was private, reserved exclusively for residents of the high rise condo.

"Good to know," I said.

"Do yourself a favor, and don't

eat there. Your stomach will thank you. Trust me on this one. I speak from experience."

We engaged in the usual chit-chat. Her name was Traci. And she wasn't on vacation. She was a trespassing townie using the private beach, this she revealed without the slightest hesitation or trace of guilt.

"The public beach is too crowded. I like it here; at least in the morning before the tourists start showing up. You're not going to rat me out, are you?"

"No," I said, "your secret is safe with me."

She offered me a beer from her little cooler. What the hell? I thought. I cracked open the can and took a hefty pull. The beer was cold and good.

The condo crowd started showing up around ten o'clock. It wasn't long before the area was a zoo, each and every chaise lounge occupied.

Traci began collecting her things. "I'm out of here."

"Same here," I said. "Oh well; it was good while it lasted."

"Hey," she said, "you want to help me finish these beers?"

I was somewhat shocked. After all, we had just met. For all Traci knew, I was some sort of psycho killer.

"Sure," I replied.

"I don't live too far from here," she said, "and my boyfriend is at work."

I got in my car and followed Traci to her place, a cozy little bungalow two blocks from the beach. Her driveway was composed of crushed seashells. There was a half pipe skateboard ramp in her backyard. The ramp, she explained, had come with the house.

We were sitting out on her patio when I asked her if she skated.

"No," she said, "but I've been thinking about it. Why not, right? I've got this great ramp right here in my backyard."

"You would probably be good at it, Traci. I mean, hey, you've definitely got the body for it."

And I wasn't just blowing smoke up her ass. I judged Traci to be in her mid twenties. She was slender, and moved with an economy of motion common to dancers and athletes. I could definitely picture here being a good skater.

"I'd probably break my neck," she said. "At least that's what my boyfriend says."

Not wanting to talk about her boyfriend, I quickly changed the subject.

We finished the beers and went inside. I had a pleasant buzz going, but was far from drunk. Traci showed me some of her paintings, avant-garde, abstract fare consisting of bright colors and geometric patterns and whatnot. I didn't know the first thing about art, but they looked good enough to me. Not half as good as Traci, of course.

I told her this

She smiled, thanking me for the compliment. "My boyfriend won't be back from work until six. We have plenty of time."

"For what?" I asked.

She answered by untying her bikini top and letting it fall to the floor. Traci had stellar tits. Not too big, not too small. Just the way I liked them. She kneaded the firm flesh, pulling and pinching her nipples, licking her lips as she did so, putting on a nice little show for my enjoyment.

I started to sit on the sofa, then stopped, concerned about my sodden swim trunks.

"I don't want to get your sofa wet."

"Then take them off," she said.

I shucked my shorts and sat there, enjoying the exhibition, stroking my cock with one hand. It wasn't long before she knelt before me. She gave great head, licking my shaft, base to cap, with expert skill. I leaned back as she took me into her mouth. Traci's head bobbed in my lap, up and down, as she slurped and moaned around my prick. In addition to being a good painter, Traci was quite the accomplished cock gobbler. She pumped her head faster and faster . . .

I was on the brink and told her so.

She came up for air. "Well, we can't have that. It's much too

soon."

Traci joined me on sofa; she lay down with her head propped on a throw pillow, rubbing the crotch of her bikini bottoms. I peeled the skimpy garment with teasing slowness. She spread herself wide, treating me to a magnificent view of her shaved kitty. I went down on her without delay, sliding my tongue up and down her luscious wet slit. Sighing and whimpering, she arched her back, thrusting her hips upward. I responded by plunging my tongue into her pussy, this while rubbing her clit with a carefully measured motion which drove her wild.

I took her to the edge, then stopped.

"Fuck me, baby. I want your big dick in my dirty little hole."

I gripped her trim waist and turned her over. Hands and knees sinking into the cushions, she raised her ass for the forthcoming doggy reaming. I guided my cock into her pussy. She was plenty wet. I slid in with ease, pausing for a few seconds, the calm before the carnal storm, before the thrusting began. I pounded Traci from behind, hammering her hard and fast. The sound of smacking flesh filled the small bungalow, as did her wails of pleasure.

We fucked like this for some time before I pulled out and sat down, allowing Traci to ride me, cowgirl style. She sat in my lap, thrusting her tits in my face, and impaled herself. Her pussy clenched my prick, squeezing it like a vise, a decidedly warm and wet and wondrous vise. She bounced up and down, pogo fashion, riding me with slutty fervor. Her tits jiggled and bounced. I took a nipple into my mouth, sucking and nibbling, while she changed motions, employing a slow, circular technique with her hips.

She felt absolutely amazing. It had been so long for me, too damned long, and I relished every sweet second.

Desiring a variation of the same position, Traci raised her hips, and turned around, going into reverse cowgirl mode as I sat there stroking

myself. She lowered her cooze until I was all the way in. Traci raised her legs, placing the soles of her bare feet on my thighs, then reached back, stabilizing herself with both arms, before driving her pussy up and down my turgid pole.

She was something else, all right, the highlight of my vacation, this trespassing, beer guzzling townie with artistic skill.

It felt good to be back in the game!

I was ready.

And Traci was, too.

She climbed off, and squatted before me, tugging my prick with one hand, while fingering her pussy with the other. She opened her mouth wide, showing me her tonsils, all the while jerking me off with increased speed. My cock blew, shooting six ropes of cum, spattering her face, mouth, throat.

Heart hammering, I leaned back and stared at the ceiling. After a few minutes, I put on my swim trunks with much haste.

Traci frowned. "You don't have to hurry. Like I said, my boyfriend's at work."

"Right," I said. "By the way, what does he do?"

"My boyfriend?"

"Yeah."

She put on her bikini and went to the back of the bungalow, reappearing moments later with a pair of binoculars. She led me across her small backyard to the skateboard ramp. We climbed a sturdily constructed wooden ladder to the top of the half pipe, standing there on the deck with an elevated view of the neighborhood.

"Here," she said, handing me the binoculars, "look toward the beach."

The magnification granted me an enhanced view of the many high rise condos, mine included, bordering the coastline. Then, as if on cue, the airplane appeared, the small craft I had seen that morning, the one bearing its most distinctive banner.

"Do you see the plane?" she asked.

"Yeah," I said. "So what?"

"My husband flies it," Traci said, "for Clem."

Sex fascinates us

Oh, hi. That's me Hayden on the left. I've invited a couple girlfriends over for some sexual bonding. I like to look at life as a great gift filled with uncountable possibilities and the world as a place full of opportunities. Especially sexuality, sensuality and eroticism fascinates and attracts us. We'll ponder that and then get down to fucking!
